EUROPLANT

DEBORA

mid-late, nematode-resistant variety suitable for processing into crisps and purée

- light yellow flesh colour
- round-oval tuber shape
- high resistance to nematodes
- high yield

DEBORA

DEBORA - mid-late processing variety with full nematode resistance

Growing recommendations				
Site requirements	prefers average locations with uniform supply of water and nutrients			
Planting	**Seed material sorting 35/55**	**Row width**		**Tubers/ha**
		75 cm	**90 cm**	
		32-34 cm	27-28 cm	40,400
	Planting depth	standard		
	Seed preparation	no special preparation necessary		
	Seed dressing	dressing against Rhizoctonia solani recommended		
Herbicides	no sensitivities are known when used properly			
Foliage	average leaf health; timely and regular use of fungicides against late blight is required			
Harvest	ensure gentle harvest			
Fertilization incl. return of previous crop at medium supply level				
Nitrogen (N)	medium - compared to the local standard (2/3 before planting and 1/3 later)			
Phosphorus (P_2O_5)	100 kg/ha (water soluble phosphate at planting)			
Potassium (K_2O)	350-270 kg/ha (up to 150 kg/ha chloride possible; on lighter soils split doses)			
Magnesium (MgO)	70 kg/ha (for yield and quality assurance)			
Variety characteristics				
Maturity	medium late	**Tuber characteristics**		
Processing quality	stable in colour and shape, with high yield and product quality, crisps > 8°C, flakes > 6°C	Tuber shape Eye depth Flesh colour Skin colour Skin Number of tubers		roundoval medium light yellow yellow rough medium
Yield	very high, medium-yielding yields with a consistent starch content	**Resistances**		
Youth development	rapid	PCN Nematode tolerance Potato wart disease		Ro1 (9), Ro2/3 (8), Ro5 (8) Pa2 (9), Pa3 (9) tolerant 1
Dormancy	good dormancy	**Sensitivities**		
		Common scab Spraing Bruising Mechanical damage		low very low - low medium low

All particulars are based on official variety trials and/or our own experience. However, as potatoes are natural products we cannot undertake any liability for these details. (05/2026)
