

EUROPLANT

FLORIDANA

medium early, mainly firm cooking ware potato

- ✓ light yellow flesh colour
- ✓ attractive smooth skin
- ✓ large sized tubers
- ✓ good storability

FLORIDANA - bright skin and uniform tuber sizes with the most beautiful export optic

Growing recommendations				
Site requirements	prefers average to better soil conditions with uniform supply of water and nutrients			
Planting 	Seed material sorting 35/55	Row width		Tubers/ha
		75 cm	90 cm	
		28-30 cm	23-25 cm	46,000
	for large size tubers + 2-4 cm			
	Planting depth	standard		
	Seed preparation	has a good dormancy; sprout stimulation evenly before planting (7-10 days)		
Seed dressing	dressing against Rhizoctonia solani recommended			
Herbicides	no sensitivities are known when used properly			
Foliage	average leaf health; timely and regular use of fungicides against late blight is advisable			
Harvest	standard			
Fertilization incl. return of previous crop at medium supply level				
Nitrogen (N)	low - compared to the local standard (low input variety, whole amount at planting)			
Phosphorus (P ₂ O ₅)	100 kg/ha (water soluble phosphate at planting)			
Potassium (K ₂ O)	350-270 kg/ha (preferably as sulphate; on lighter soils split doses)			
Magnesium (MgO)	70 kg/ha (for yield and quality assurance)			
Variety characteristics				
Maturity	medium early	Tuber characteristics Tuber shape Eye depth Flesh colour Skin colour Skin Number of tubers	roundoval shallow light yellow yellow smooth medium - high	
Cooking type	B			
Consumption quality	mainly firm cooking, low discolouration after cooking, good taste			
Yield	high yields with uniform large sized grading, high marketable yield > 50 mm	Resistances PCN	Ro1 (9)	
Youth development	rapid	Sensitivities Common scab Spraing Bruising Mechanical damage	medium low very low low	
Dormancy	very dormant, suitable for long-term storage			

All particulars are based on official variety trials and/or our own experience. However, as potatoes are natural products we cannot undertake any liability for these details. (07/2023)
