# Julinka

early premium quality ware potato

- attractive oval tubers
- very high marketable yield
- uniform grading, excellent suitability for packing

**Julinka** is an early ware potato variety receiving high marketable yields of very nice oval tubers with excellent suitability for pre-packing.

Variety characteristics		
<b>Maturity</b>	early	<b>Tuber</b> Tuber shape oval Eye depth shallow Skin yellow, very smooth Flesh colour yellow Raw discoloration low
<b>Cooking Type (EAPR)</b>	B	
<b>Consumption quality</b>	quality ware potato, very good table quality, very low discoloration after cooking	
<b>Yield</b>	high - very high, uniform grading	<b>Resistances</b> PCN Ro 1(9), Ro 4(9) Common scab high
<b>Youth development</b>	initially hesitant, later rapid	<b>Sensitivities</b> Spraing low Bruising low Mechanical damage medium - low
<b>Dormancy</b>	high, good storability	
Growing recommendations		
<b>Site requirements</b>	preferably grown on medium to good soils with uniform water and nutrient supply	
<b>Planting</b>	planting density	approx. 45,000 plants/ha (seed size 35/55 mm)
	planting depth	due to high yield potential approx. 2 cm deeper than usual, if applicable; careful ridging according to site demands and yield potential; soil coverage should not exceed 17 cm
	seed preparation	sprouting stimulation recommend (temperature shock, warming up of seed tubers 3 days before planting, etc.)
	seed dressing	preventive control of <i>Rhizoctonia solani</i> is generally recommended
<b>Foliage</b>	routine protective control of late blight is recommended	
<b>Herbicides</b>	no sensitivities known	
Fertilization		further information
<b>Nitrogen</b>	medium - compared to local standard	
<b>Phosphorus</b>	100 kg/ha (at planting, water soluble phosphate)	
<b>Potassium</b>	200 - 250 kg/ha (at medium soil supply class), preferably sulphate fertilizers	
<b>Magnesium</b>	60 kg/ha	

All particulars are based on official variety trials and/or our own experience. However, as potatoes are natural products we cannot undertake any liability for these details.
