VARIETIES, COMPETENCE & SERVICE

EUROPLANT Pflanzenzucht GmbH is an innovative, internationally distribution organisation for seed potatoes with a worldwide network of partners, representation offices and subsidiaries. We are active in over 70 countries worldwide and our range includes more than 100 ware, processing and starch varieties.

We see ourselves as a service provider: To our customers and business partners, we are a reliable and fair partner.

Our quality promise - to achieve the most successful harvest - benefits farmers, who know they can rely on our varieties and our seed potatoes. Together with BIOPLANT Biotechnologisches Forschungslabor GmbH and Böhm-Nordkartoffel Agrarproduktion GmbH & Co OHG (BNA) breeding and propagation occur as a part of integrated production process.

Your entry into the world of potatoes!

EUROPLANT Trainee-Programme

(Duration: 2 years)

Our trainee programme offers you the possibility to set an idea of structures and processes of the production and distribution of seeds within two years.

In the first year you become familiar with all working areas in the EUROPLANT Group. On this basis we develop together your individual professional focus in the second year („training on the job“).

As part of our trainee programme you get to know some of our branch offices at home and abroad. In addition to the qualification on the job you have the opportunity to participate in internal trainings, seminars and a language course in another foreign language.

Exemplary schedule

1st year

(depending on the season and the later emphasis)

3 months	Work at the head office in Lüneburg, learn about the company structure and departments
2 months	Back office during the season
1 month	Work in one of the logistics warehouses during the season
1 month	Work in one of the foreign subsidiaries
1 month	Recognition system
1 month	Ware potato trade
2 months	Work in a breeding station
2 month	Field service, testing and consulting

2nd year

This is followed by an intensive one-year familiarization phase in the later work area.

After completing your time as a trainee you are an expert in your working field and ready to master the challenges of everyday business independently.

Your qualification

- ✓ Completed university degree
- ✓ Good knowledge of spoken and written English
- ✓ Open-minded for other cultures and willing to travel
- ✓ High level of self-motivation and good organisational ability
- ✓ Interest in our industry and products
