Our variety of the year 2022/2023

# Emiliana

tastes like a trip to the countryside!

Authentic, natural and intense - just like a trip to the countryside. That's how the medium-early, firm-cooking EMILIANA tastes. Excellent taste paired with an attractive appearance, high yields with an even, tight grading and a very good dormancy - these characteristics distinguish EMILIANA as a first class table potato.

## Maturity

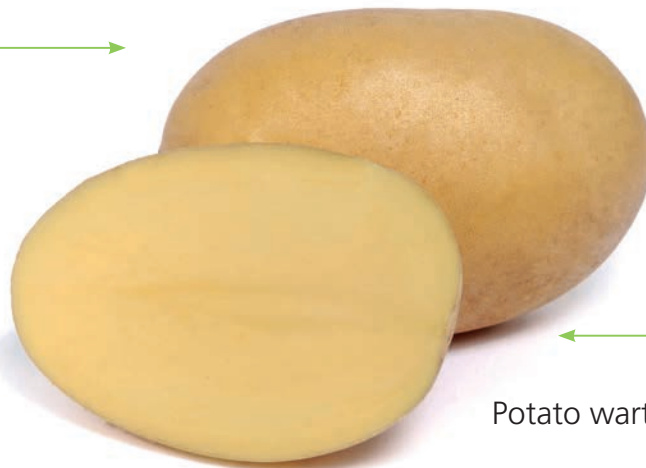

- medium early

## Tuber characteristics

- ovale tuber shape
- shallow eyes
- deep yellow flesh colour
- smooth - netted skin

## Consumption quality

- cooking type A-B
- first class culinary
